# Three former Cats make Juco / Div. III rosters

Fred McGee

Quent Watts

Braxton Walker

McGee, Watts and Walker playing college football in-state

Three former Greene County High School players have made the rosters at separate Mississippi colleges. Fred McGee, Quent Watts and Braxton Walker, all of McLain and all recent GCHS graduates, will kick off the 2017 campaign with different schools this Thursday. McGee is a member of the 55-man roster at East Mississippi Community College in Decatur. He is a defensive back for Coach Ken Karcher's defending MACJC South Division Champions. The Warriors kick off their season Aug. 31 against Holmes Community College.

Down in Perkinston, former GCHS quarterback and safety Quent Watts is on the roster for Coach Chad Huff and the Mississippi Gulf Coast Community College Bulldogs. MGCCC looks to

improve on its 5-5 finish from a year ago when the season gets underway Thursday at home against Itawamba. Braxton Walker, a running back at GCHS last year, is on the roster as a linebacker at Belhaven University in

Jackson. Belhaven is the alma mater of current GCHS head coach Mike King. Coach Hal Mumme's Blazers finished last season with a 2-8 record, but played one of the toughest schedules in NCAA Div. III football by facing off

with five top 20 teams, including No. 2 Wisconsin-Whitewater and 2016 National Champions Mary Hardin-Baylor. Belhaven looks to improve on that mark when they kick off the season Thursday night in the newly-renovated Belhaven Bowl Stadium against their non-conference, cross town rivals from Millsaps.
