Dear Santa,
I love Christmas because I can celebrate Jesus birthday. He died on the cross for our sins. I want to celebrate something for him doing that for us. It is a miracle that Jesus had to die on the cross for our sins and rose. If I was him I would not die on the cross for no body. I want to thank Jesus for that. One Christmas day I can get out of the house and travel then I can open some presents. I can get out the house and go away and I do not have to go to school. I can drink some chocolate early and the morning. I can be in a church program. I can open my gifts what Santa brought me. This is what I love about Christmas to celebrate Jesus birthday. Christmas is the best thing that ever happened to me because Santa bring me presents. If I was Santa I would be lost. I would have no clue where to go. There so much I love about Christmas.

Love,
Zamiah Knight

In my Christmas program I had to say Jesus birth was the dividing point of all worlds history bc before Christ. I just hope everyone this Christmas will let Jesus into their heart. My tradition is going to Church first then back home. Let everyone get to our house then we open presents. After we open our presents we have hot chocolate. Then we hide wrapping paper and we try to find it. This is my traditions and why I like Christmas. Jesus was a miracle to all worlds history. I love to celebrate Christmas.
