PROTECTING the LIVES
OF WILBARGER COUNTY

Pushed to excellence by the nature of the community it protects, few places in the world have fire protection like the City of Vernon. All fire personnel receive the most advanced fire and rescue training and are provided with state-of-the-art equipment and apparatus. Four fire stations ensure that emergency responders are ready to respond within every mile and a half of city property. This strategic location of stations has resulted in a response time of less than three minutes any time life or property is threatened.

CITY OF VERNON, TEXAS

FIRE/EMS DEPT.

MISSION STATEMENT

The mission statement of Vernon Fire Department/EMS is to protect the lives and property of the citizens of the City of Vernon and Wilbarger County from the adverse effects of either man-made or natural emergencies. We will respond to these emergencies in a professional and courteous manner.
