Dear Friends,

It is a blessing to serve such a loving and welcoming community as this. Vernon, Texas has been home to our family since 2010. In that time, we have had many firsts, our first house, our first child, new career opportunities, and we are so grateful that we are able to continue this journey with you. This community guide is more than just a marketing tool for Vernon's local institutions, it is what we believe Vernon to be. We hope you enjoy our little town as much as we do! Thank you to the lovely people that took the time out of their busy schedule to help us make this guide exceptional, and thank you to our readers for taking this opportunity to sit down and discover what makes Vernon the place we call home.

Sincerely,
Shelby McCormick,
Advertising Director
