

Transcendent Healthcare Receives Warrick Standard Reader's Choice award

Transcendent Healthcare of Boonville's staff is pleased to announce the receipt of the Warrick Standard Reader's Choice award for *The Best Assisted Living / Extended Care Facility* in Warrick County. This award is given to the best nursing facility in Warrick county as voted by the readers of the Warrick Standard newspaper.

Transcendent Healthcare is family owned and operated company offering skilled nursing facilities, outpatient rehabilitant clinics and rehabilitation companies. In addition, Transcendent Healthcare is very proud to announce the addition of Home Health and Hospices services to their family of companies, Transcendent HomeCare, LLC and Transcendent HospiceCare, LLC respectively.

"I would like to sincerely thank everyone who voted for us. It has always been our mission to provide the communities we serve with unsurpassed leadership and personalized quality of care. In addition, I am extremely proud of the way our team assists families with challenging insurance plans. From Managed Care to Medicaid, Health insurance is such a complicated subject. Fortunately, our team really has the process perfected. If you are struggling to find a nursing facility in you immediate area, I really recommend you give our team a call. " - Brody O'Niones, Senior Executive Director

The covered bridge at Hancock County's Vastwood park is a popular spot on the walking trail that meanders around the beautiful lake and crosses the suspension bridge. Some say Vastwood is one of the best parks in Kentucky. It offers five diamonds: baseball, softball, T-ball and Cal Ripken. Tennis courts, basketball courts and a big playground grace the park for those with varied interests. For those wanting to camp, there are utility accessible sites.

Transcendent Healthcare LLC
