Ohio's Rough Country Band was originally formed in January of 1994 and the group has performed extensively throughout Ohio for the past 23 years.

Members L.A. Brown, Chad Brown, Mike Reinhard and Ted Seyfors have a combined performance experience of approximately 125 years in the entertainment industry. The Crawford and Wyandot County natives have the confidence to provide patrons with an exciting event of enter-

tainment.

ORCB currently performs classic '90s and top 40 country music with a slight mix of rock and roll, old favorites and some original material to offer a little something for everyone.

ORCB has the ability and versatility to perform in a small club with limited space or large night clubs. You can find the band on Facebook or phone or email L.A. at 419-610-3206, 419-834-1016 or blorrie74@yahoo.com.

## Reid Barth

The Reid Barth Jazz Ensemble was formed in late 2004 when Reid was asked to open for a band named Longfellow. The group has grown since then to feature a wide array of musicians and frequent guest artists. The group has performed at several festivals in the area as well as headlining at several small theaters. While the group is primarily a jazz ensemble, they have been known to play anything from classical music to country and acoustic pop.

The group will be performing Saturday, Sept. 16, at 8 p.m. in the Masters Building.

The band will perform Friday, Sept. 15, from 8-11 p.m. in the Masters Building.

The kids participate in their own scramble at a past fair.
