

Demolition Derby

The demolition derby at the Wyandot County Fair has been a favorite "last day" activity for a large number of fair-goers since its start in the 1970s.

There are four regular heats, in addition to one for compact cars, one for pickup trucks and one – the powder puff derby – in which only women may participate. Women are free to enter any of the other competitions as well.

For details about entering this year's derby, contact the fair office at 419-294-4320. The demolition derby will be held Sunday, Sept. 17, at 4 p.m. in the grandstand. There is a \$10 general admission or \$10 for pits.
