## Star Kids

Since 1985, under former director Ruth Bacon, area youth have participated in the Star Kids program at Star Theatre in Upper Sandusky.

Through support of the community and longtime director Lori (McCreary) Lavery and her family, among others, the local youth get an opportunity to learn basic theater techniques, including singing, dancing and acting, and shine in their own performances.

Workshops and activities begin in May each year and there's a two-week rehearsal period before a June performance. Enrollment is open to kids in grades 1-6 and registration forms will be available on the Star Theatre website, [www.starplayers.net](http://www.starplayers.net), in the spring of 2018.

Star Kids will perform in the Masters Building Saturday, Sept. 16, at 3:30 p.m.

five trucks pulling per class. General admission is \$10 with kids under eight years of age free.

A tractor pull is planned for Saturday, Sept. 16, at 6:30 p.m. The event will feature super modified 4WD trucks, 7,500-pound modified tractors and 10,000-pound pro stock tractors. The tractor pull admission is \$10 in the grandstand or \$10 for pits.
