HOROSCOPES

ARIES - Mar 21/Apr 20
Aries, you may be tempted to tie up loose ends this week, but there is a lot to finish so expect things to take longer than you hoped. Focus only on one project at a time.

TAURUS - Apr 21/May 21
Taurus, your words and actions may not be matching up right now. This may be confusing to others. It may be better to just lead by example.

GEMINI - May 22/Jun 21
Gemini, things have been moving along quite easily for you and you are enjoying the respite. Take all the deep breaths you can during this period of recovery.

CANCER - Jun 22/Jul 22
Time has been passing quite rapidly, Cancer. You may be feeling like you aren't quite catching up to the clock. As long as some work is getting finished, you are completely fine.

LEO - Jul 23/Aug 23
Leo, you are anxious to go on an adventure, but you simply can't find time in your schedule. You may just have to make it happen by turning off your devices and heading out.

VIRGO - Aug 24/Sept 22
Virgo, even if you are sure that your perspective will win over the crowd, you have to accept there will be some who don't agree with you. Be gracious and don't step on any toes.

LIBRA - Sept 23/Oct 23
Libra, although you might not realize it, someone is making a concerted effort to get to know you this week. Be open to new relationships and you may make a lifelong friend.

SCORPIO - Oct 24/Nov 22
Scorpio, you have worked hard and are now beginning to enjoy the fruits of your labor. Treat yourself to whatever you would like. Be proud of your efforts.

SAGITTARIUS - Nov 23/Dec 21
Conversations with others should be kept light and easy this week to avoid any drama, Sagittarius. Delving deeper into others' lives is the furthest thing from your mind.

CAPRICORN - Dec 22/Jan 20
Capricorn, are your achievements isolating you from others? You may have to let someone else get some of the glory this week, if only to show your vulnerable and accommodating side.

AQUARIUS - Jan 21/Feb 18
Do not avoid others to escape conflict, Aquarius; otherwise, you are only delaying the inevitable. Speak your mind and address the situation with tact and professionalism.

PISCES - Feb 19/Mar 20
Pisces, your self-esteem can soar this week if you surround yourself with the right people. Fill your days with fun and many activities.
