## Hear what a parent has to say about CCA!

"I knew from the moment we walked through the doors at CCA, to tour, that this would be the place for Eliza. We got such a warm welcoming vibe, and I knew in my heart that CCA was exactly where God wanted Eliza to be.

There are so many wonderful reason why we love CCA and why it has been so good for Eliza. My husband and I have seen such a turn around in her. She is happier, has much more confidence, and her overall attitude towards school has been positive. She is growing academically and spiritually.

I wanted to share with you, something that means more to me than anything else. A couple nights ago, Eliza came to me at bedtime, to give our nightly hugs and kisses, and she leaned way in and said, "Mom, I don't know what it is about CCA that gives me such a good feeling, but I think it's God. I feel like I'm growing closer to Christ each day I'm there." We hugged and I cried

You, your staff, her teachers, are all such a positive influence in her life. I thank God daily for CCA and we are so happy knowing Eliza is thriving in such a warm, loving, structured, Christian environment.

Thank you,  
Melanie Naquin
