

Chamber to hold political forum for Clinton's 2017 municipal election

Special to The Clinton Courier

The Clinton Chamber of Commerce will be hosting a political forum to hear from the candidates in the upcoming municipal elections on Thursday, April 20, from 7 until 9 p.m. at South Point Business Park. The event is open to the public and is free. The moderator, Gerad Hardy, will ask the candidates a series of questions, in addition to all participating political candidates being introduced and given three minutes for brief remarks about themselves.

"This election will be a critical one

for the City of Clinton.

There are at least two candidates for all positions except for the Mayor and Alderman for Ward 3 positions," said Gerad Hardy, the 2017 political forum chairman for the Clinton Chamber of Commerce. "We plan to utilize modern media, which offers a unique opportunity to share with

Clinton citizens important information about their elected officials.

We are planning to share recorded interviews of candidates who choose to participate on the Chamber's website political page. We will also plan to offer live stream video of the Political Forum on the Chamber's Facebook

social media page on the night of the event, pending no impediments," said Hardy.

"We believe that the format for the political forum, as well as the questions we have submitted for the candidates, should allow citizens to be more informed. The format allows for our candidates to be asked three questions that all will answer, and two randomly selected questions for each candidate selected from community submitted questions."

For more information, contact the Clinton Chamber of Commerce at 601-924-5912.
