

Four Lady Choctaws land on All-GSC softball teams

Special to The Clinton Courier

The Mississippi College softball team had four student-athletes named to the All-Gulf South Conference Teams. Senior Tylan Buckley, freshman Carly Crawford and junior Katherine Lee all earned First Team nods, while senior Haley Thompson was selected to the Second Team, following a vote by the league's head coaches.

With MC being in their first full year of eligibility in NCAA Division II and the Gulf South Conference in 2016-17, the four Lady Choctaws became MC's first softball All-GSC selections

since Rebecca Broome was recognized in the 1995 season.

MC recently finished their transition process back to NCAA Division II and the Gulf South Conference and will be competing for conference and national championships in the 2016-17 academic year.

The athletic department sponsors seventeen intercollegiate athletic programs: baseball, men's and women's basketball, men's and women's cross country, football, golf, men's and women's soccer, softball, men's and women's tennis, men's and women's indoor track and field, and men's and women's outdoor track and field and volleyball.
