National softball tournament at Traceway Park, fireworks planned

"Residents are invited to attend the fireworks show and join the celebration," said Mark Jones, the City's public information officer. "City officials do remind residents that the fireworks show will start around 7:45 to 8 p.m. Residents in the area who have outdoor pets are encouraged to make arrangements to move the animals inside during the fireworks show."

Games continue Thursday, May 18, at 1:30, 3:30 and 5:30 p.m. in the course of the double elimination tournament. Friday games will be played at noon, 2 p.m. and 4 p.m.

The championship round on Saturday features games at 11:30 a.m. and 1:30 p.m.; but, should a previously undefeated team suffer its first loss, the deciding game would be played at 3:30 p.m.

The teams will bring about 400 players and coaches to participate in the fast-paced seven-inning games. Spectators can enjoy the competition with a \$12 day pass or a complete tournament pass for \$35. Groups of ten or more receive a group discount at \$10 per ticket. Children under the age of twelve will be admitted free. Parking is also free.

The 2017 tournament is the final year of a three-year contract for Clinton's Parks and Rec Department to host the tournament; but, with the recent renewal by the NJCAA Events Committee, Clinton will welcome participants for another three years, through 2020.

In addition to bringing favorable exposure to the City of Clinton, the economic value of the national tournament adds about \$300,000 to the City's sales tax collections, primarily from hotel room bookings, restaurant meals, and gas purchases the teams and their fans make during their week-long stay.

"The NJCAA is the only national cham-

pionship held in the state of Mississippi and is a major boost to our economy," said Clinton Mayor Phil Fisher. "Hav-

junior college athletic departments throughout the United States. Similar to the organization and governance of

representatives have included Mississippi Gulf Coast Community College, Jones County and Itawamba.

As in previous years, it will be "all hands on deck" for Clinton's Parks and Rec Department, according to department Director Cole Smith. He serves as the Tournament Director, with Adam Wade as Assistant Tournament Director.

"We always want to be good hosts and see that this tournament is well-run for the teams who qualify to play for a national junior college championship," said Smith. "Our staff works hard to prepare and keep the fields in good playing condition, making this a signature event in women's softball. After hosting for several years now, we have a great track record and want to continue that level of excellence."

To help promote and kick off the tournament, the City is bringing in Head to Head radio with Richard Cross and Matt Wyatt. Wyatt and Cross will broadcast to a statewide and southern regional radio audience live from the softball fourplex at Traceway Park from 3 p.m. until 6 p.m. on May 17. Locally, residents can listen to the show on Supertalk Mississippi 97.3 FM. "We have geared this event from more than just a tournament to an all-out experience we hope players, coaches and spectators never forget," said Smith.

For more information and a schedule of events, visit the NJCAA Softball National Championship webpage at www.clintonms.org/NJCAA. For the schedule and daily weather updates for the tournament, see www.clintonms.org/njcaa.

Games will be livestreamed through on NJCAATV.com beginning with the semifinals.
