

Clinton studio changing lives in Guatemala through portraits, boutiques

Special to The Clinton Courier

Acorn Studio is celebrating children and families locally and abroad during their spring mini session event May 19 and 20 at their downtown Clinton studio. The session fee from every mini portrait session will be donated to The Orphan Door, a local non-profit started by Clinton resident Jenny Blount.

Founded in 2016, The Orphan Door provides support for the chil-

dren at Eagle's Nest Orphanage in Guatemala. To date, they have raised money to send each of the children to school and raise the wages of their caregivers, and they have a medical mission team going to the orphanage this month to provide medical care.

"We get to celebrate our clients' children and families through portraiture every day. We're so excited

for the opportunity to celebrate the children supported by The Orphan Door who long for forever families through this mini portrait session event," said Acorn Studio owner Erin Fults.

Ellie's of Olde Towne and James & Leigh have also partnered in the event by offering a discount at both stores to anyone who books one of the spring mini sessions.

"We love what Jenny and The

Orphan Door are doing in Guatemala and are happy to get to participate in that with Acorn Studio through this event," store owner Anna Nutt said.

"We are so encouraged when people like Erin and Anna reach out to us about supporting the work of The Orphan Door," said Blount,

"and are thankful for this opportunity to partner with these businesses!"
