

Northside Baptist to host disaster workshop June 3

Special to The Clinton Courier

Northside Baptist Church will host a disaster response workshop on Saturday, June 3, from 10 a.m. to 3 p.m. Guest speakers include Alan Williams, director of Disaster Relief for the Cooperative Baptist Fellowship, and Jim Kirkendall, Disaster Relief specialist for the Cooperative Baptist Fellowship of Mississippi.

Every year, Mississippi is struck by

tornadoes and floods, and the state is often threatened by hurricanes. Organizers say that these disaster response experts will help explain how to be involved in relief efforts and how to receive relief efforts when disaster strikes. The church will provide a light sandwich lunch.

Contact the church office at 601-924-4555 to register to attend. The class is open to the public.

Residents reminded to drive sober

Special to The Clinton Courier

During the Memorial Day holiday, the Clinton Police Department will participate in the National Highway Traffic Safety Administration's "Drive Sober or Get Pulled Over" campaign through a grant that pays for officer overtime for DUI enforcement.

During the campaign, Clinton police officers will work overtime to ensure that city streets are safe from impaired drivers. Officers on patrol will be tasked with the responsibility to search for and arrest suspected drunk drivers.

According to Clinton Police Chief Ford Hayman, the Clinton Police

Department, through the use of extra patrols and sobriety checkpoints, was able to make seven arrests for DUI, make three drug-related arrests and write fifty-six traffic citations during the Labor Day holiday last year.

"Our officers will work diligently to protect motorists during the Memorial Day weekend, and the results of the enhanced enforcement speak to the officer's professionalism and training," Hayman added. "We hope these efforts prove to the public the seriousness of DUI and our commitment to protect our residents from the potentially tragic results of an alcohol related accident"

New fire truck and portable buildings for school approved

lease/purchase proposal from Regions Equipment Finance Corporation for the financing of a new custom E-one pumper truck for the new Fire Station 4 currently under construction on Pinehaven Road north of Windsor Plantation. Delivery of the new truck is anticipated in mid- to late June. Included in the new truck will be custom paint and decals highlighting the Clinton Arrows.

Residents are invited to view agendas and board meetings on the City website at www.clintonms.org/board. All meetings of the Mayor and Board are public meetings and are held on the first and third Tuesdays of each month at 7 p.m. in the Municipal Courtroom.

Regular City government meetings are also streamed live on the City website at www.clintonms.org/board.
