Special to The Clinton Courier

Clinton Christian Academy recently held its fifth annual Warrior Day in celebration of another successful school year. Warrior Day promises participants loads of fun each year in field day activities, consisting of class competitions among the elementary classes and games such as flag football, kickball and volleyball among the seventh through twelfth grades. Special guests from Horizon Taekwondo, SnoBiz and the National Guard added to the fun. The administration of CCA says they would like to thank all their sponsors for making the 2017 Warrior Day a success.
