

# MAKE A BIG IMPACT SHOP SMALL

## SMALL BUSINESS SATURDAY

### SHOP SMALL with *Clinton Courier* Advertisers

This Christmas season, *The Clinton Courier* encourages you to shop local as much as possible. Whether it is a Christmas gift, dinner out with the family, or a skating or bowling outing, your local dollars count.

On Small Business Saturday, November 25, shop with any *Courier* advertiser for your chance to have your purchases paid for by US! **\*\* (Up to \$250)**

Why participate in the Shop Small Movement? Small businesses play a key role in helping communities thrive. By shopping or dining at your favorite local places throughout the year, you're showing your support for small businesses and making a positive impact in your community.
