

Shop local on Small Business Saturday, November 25

By Clinton Chamber of Commerce
Executive Director T. J. McSparrin

The Clinton Chamber of Commerce lends its support to eighth Annual Small Business Saturday® and Shop Small® Movement to drive commerce to small businesses. Taking place on November 25, Small Business Saturday is a day dedicated to supporting local small businesses and strengthening and celebrating communities across the country.

Clinton stores and restaurants will be open to meet your holiday needs. Shop at 303 Jefferson, Acorn Studio,

Cowboy Maloney's Electric City, Cups, Ellie's, Estuary Massage at PURE Salon, Good Citizen, James & Lee, Lewis Furniture, Mattress Firm, Millie D's, Molly's, Ollie + Rae, Olive Branch, Paxton Peak, Posh, Revell Ace Hardware, Scrub Hub, Arrow Nutrition, Second Shot Outdoors, The Cupboard, Wyatt Waters Gallery, Winstead Clothing Co., and other local stores to see what discounts and promotions they will be offering. Visit www.clintonchamber.org before November 25 to get the full list of businesses participating in Small Business Saturday.

Created by American Express in 2010, Small Business Saturday serves as the ceremonial kickoff to the holiday shopping season for small businesses across the United States. In 2016, an estimated 112 million consumers reported shopping at small businesses on Small Business Saturday, according to the 2016 Small Business Saturday Consumer Insights Survey.

Small Business Saturday celebrates the diversity of small businesses across the U.S., and the Clinton Chamber of Commerce recognizes the importance of supporting small

businesses, the jobs they help create and the culture they instill in local communities. According to the U.S. Small Businesses Administration, as of 2014, small businesses nationwide accounted for 63% of net new private-sector jobs created and represented 99.7% of firms with paid employees.

Merchants and consumers can learn more about Small Business Saturday and how to get involved by visiting ShopSmall.com or calling the Chamber at 601-924-5912.

Remember how important it is to purchase local goods and services. Shop Small—Shop Local!
