

# The Bodacious Shops of Block 42

Housed in a completely renovated building on Main Street in downtown Janesville. You've never seen Janesville from this view! With exposed brick, loft space, meeting space, balconies overlooking the Rock River and a patio with a fireplace, the over 100 year old building has gotten a complete facelift.

It is the perfect home to

**The Bodacious Shops of Block 42**, a fantastic trio of interconnecting shops!

**Drop in for a quick coffee or plan to stay all day as you explore all three shops.**

**The Bodacious Brew** features high quality coffee, teas and breakfast at the start of the day. Shareable appetizers, wine, bourbon and craft beers are available in the afternoon and into the evening, including a charcuterie platter served on their homemade cracker tray. Sit up in the loft and enjoy the views or in warmer weather lounge on the patio, balconies or by the fire pit.

The eclectic coffee bar is great spot for morning get togethers, a group lunch during the day and the perfect spot to unwind at night with drinks and appetizers. Visit The Bodacious Brew for live music every Friday night (May-August), downtown Happy Hours with specials, Wine Downs (free wine tasting), hands-on cooking classes, Kid Craft Time (Mom free time!), and fun events and classes. Open Monday through Wednesday 7am to 7pm; Thursday through Saturday 7am to 9pm and Sunday 9am to 3pm.

**The Bodacious Olive** is a culinary adventure. Visit this tasting room and sample Bodacious Olive Oils and Vinegars of the highest quality and incredible taste.
