## Dress It Up is a community-owned store with a boutique feel

As Dress It Up, Inc. approaches their 6th Anniversary, the community-owned, community centered business looks back at all the progress we have made. From the initial brainstorming meetings that began in 2010, to the opening of the doors in March 2011 to now, the store has continued to grow. What began largely as a volunteer-run business has now evolved into a self-sustaining, thriving business, something we could not have done without the tremendous support of our customers!

Providing the ladies of Larned and the surrounding areas with a convenient, economical and fun place to shop

has always been the primary goal of Dress It Up, Inc. But clothing is just the beginning of what's available at Dress It Up. From purses to scarves to jewelry and even footwear, Dress It Up can complete your outfit or help you find the perfect gift. (Ladies - be sure to tell your husband/significant other we also offer Gift Cards!) Our knowledgeable sales staff are always willing to help you, whatever your need may be.

Dress It Up continues to carry top clothing lines such as Tribal, Keren Hart, Ethyl, Jess & Jane, Blu Pepper and even Miss Me. We may not have everything you need, but our goal is to have something for

everyone from teens to the mature woman! Traveling to market in Dallas, Kansas City and Las Vegas, we are always on the lookout for quality brands at reasonable prices. Some new lines we have added this past year include the clothing lines of Nostalgia, Ruby Road and Liverpool, and we are excited to introduce Yellow Box shoes this spring, as well.

Dress It Up, Inc. is a community-owned store with a boutique feel. Stop in and let the staff at Dress It Up, Inc. help you find what you're looking for. We are open Monday - Friday 10:00am-6:00pm and Saturday 10:00am-3:00pm.

## Sonic Drive-In, in business since 1977

Sonic Drive-In is located at 114 West 14th in Larned and has been in business since 1977. The business is owned by Max Rickerson, Chanute; Rusty Billington, Hutchinson; Rick Benard, Newton; Terry Clark, Larned and Matt Fisher, Larned. The present owners purchased the business in August of 1988. The current managers, Matt and Elizabeth Fisher, have been managing since February 2007.

Matt has been working for Sonic since 1995, starting as a cook and working his way up into management since 2001.

Sonic Drive-In began in 1952, originally known as "The Top Hat" and in 1959 the name changed to Sonic. The 1950s helped to create the curbside service that makes Sonic unique, never having to leave your car to place your order. Today, Sonic is the largest chain of drive-in restaurants with more

than 3,500 restaurants in the United States.

Sonic offers a variety of food to satisfy the needs of any age group. Along with hamburgers and French fries, they offer coneys, tater tots, and handmade onion rings just to name a few. Save room for dessert with one of our Frozen Favorites. Sonic is your breakfast headquarters offering a variety of burritos and Toasters that are served all day. Don't

see SONIC page 3

*Thank you!*
