**My dad always says,
"The tougher the cut ...
the more important the partner."
- Allie D.**

- Proud to be Family Owned & Operated since 1917 -

The livestock industry has never been more turbulent or as volatile as it is today. The choice of a solid partner can mean the difference between success and failure in your feeding program. At Sellers Feedlot, we are committed to the success of the customers we proudly serve and strive daily to be a 'Cut Above the Best'.
