

Making a Difference

by Building a Legacy of Caring

People from Pawnee County have always been the driving force by contributing their time and money so that the best possible healthcare will always be available. Not only major philanthropists, but smaller donors have made Pawnee Valley Community Hospital their cause, and their support has played a vital role in transforming the very character of the hospital. Thank you for your generosity through the years.

The Healing Garden

“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed it is the only thing that ever has.”

- Margaret Mead

Ways to Give

Healing Garden Bricks: Purchasing a \$50 brick for our Healing Garden is a permanent way to honor a loved one.

Legacy Tree: This is a beautiful way for family and friends to honor the memory of loved ones or even celebrate special moments in the lives of those they love. With a gift of \$250, each leaf will serve as a living legacy of those lives.

Donor Wall: Major donors of \$2,500 or more will be recognized on our donor wall located in a high-traffic area of the hospital.

Dillons Community Rewards: Visit www.dillons.com/communityrewards to designate the Foundation as your charity, swipe your Plus Shopper’s card and we will earn rewards.

Legacy Tree

The Foundation is guided by a group of local trustees who have been selected for their leadership roles in the community along with their vision for the success of the Foundation. Members of our board are: Bill Barger, Kyle Beckwith, Meribeth Busenbark, Jim Delaney, Suzan Haynes, Eric Lybarger, and Lewis Young.

Development Coordinator: Julie Bugner-Smith (620) 285-8632
