

# 10th Street Eyecare Center Welcomes New Optometrist

The 10th Street Eyecare Center is pleased to welcome Dr. Sarah Stueder as a new optometrist at their busy practice, located at 2601 10th Street in Great Bend. As a native of the Claflin community, Dr. Stueder is pleased to launch her optometry practice near her hometown.

"I grew up on a farm west of Claflin, and much of my extended family still lives in the area. It was a natural decision to move back to the area," Dr. Stueder says. "I have always admired this practice and their dedication to helping their patients with the best possible care and compassion, and I look forward to joining their positive culture."

Sarah graduated from Claflin High School in 2009 before graduating Magna Cum Laude from Kansas State University in 2013 with a Bachelor of Science in Life Sciences. Afterward, she attended Northeastern

Dr. Sarah Stueder

in May 2017 with a Doctorate of Optometry. During her externship in Tulsa, Oklahoma she gained lots of experience in ocular disease and refractive surgery. This helped Dr. Stueder earn a certificate from NSUOCO in ocular lasers and minor surgical procedures, and she passed her Kansas Boards in June of this year.

Dr. Stueder plans to bring some special new areas to the practice, including specialty contact lenses and Ortho K fits. She will be joining Dr. Russell McCaulley, Dr. Chad Premer, and Dr. Nicole Miller as the fourth provider for total eye health at the Great Bend clinic.

Outside of work, Sarah enjoys spending time with friends and family, going to the lake, attending K-State sporting events, cooking, and running. She is active in her church, and plans to get involved in the community. Sarah is the daughter of Alan and Rita Stueder of Claflin.

State University Oklahoma College of Optometry in Tahlequah, Oklahoma. In addition to being active with numerous professional associations, she stayed busy with numerous volunteer programs before graduating Summa Cum Laude

The 10th Street Eyecare Center is a leader in optometric healthcare, offering everything from routine eye exams and diagnostic testing to retail glasses

and contacts and frame repair. The clinic is open six days per week, and office hours are published on their website at [www.10thstreeteyecare.com](http://www.10thstreeteyecare.com).

For more information or to make an appointment with Dr. Stueder or one of the other friendly optometrists, call 620-792-2020.
