

Staff and residents from Country Living visited Lyons Medical Center (above) on September 13 to present Dr. Klein (right) a “Welcome to Lyons” gift basket. The basket included Lyons Lions merchandise they purchased from the Lyons Booster Club. Klein and his wife, Brooke, were spotted at the LHS Football game the next Friday wearing their new shirts!

A “Welcome to Lyons” gift basket (above) was presented to Dr. Klein during a recent reception at the Rice County District Hospital in Lyons.

Welcome to Rice County Dr. Roger Klein!

Rice County Community Hospital provides 24 hour emergency care for residents and a broad range of services. The facility is accessed on the west side of the hospital.

EMERGENCY SERVICES

Emergency Services at Rice County District Hospital are available 24 hours a day, 7 days a week, 365 days a year, with highly skilled staff on-site around the clock.

The ER at Rice County District Hospital is a designated Level IV Trauma Center, certified by the American Academy of Surgeons, equipped to provide care to patients experiencing the following:

• Chest pain	• Rash
• Difficulty breathing or shortness of breath	• Head or eye injuries
• Broken bones or dislocated joints	• Severe cold or symptoms of dehydration
• Lacerations or skin abrasions	• Sudden change in health or mental state
• Bleeding during pregnancy	• Stroke
• High Fever	• Trauma

“Every minute matters in a medical emergency. We understand patients and their families can be very scared, so our team knows how to remain calm to ease the anxiety in both the patient and their loved ones.”
– Judy Hodgson, CNO
