

A staff of health care professionals are on call at Sterling Medical Center

The Sterling Medical Center provides attentive care to families in Rice County and surrounding areas. The team of physicians and nurse practitioners offers services including, but not limited to, basic office visits for acute illness, well-child exams, immunizations, annual physical exams, patient counseling, gynecological exams, prenatal care, and midwifery. Located on Broadway in Sterling, the clinic is easy accessible with appointments available Monday through Friday from 8:30 a.m. to 5:00 p.m.

James Decker, DO

"It is an honor to give my Rice County neighbors the friendly, thoughtful medical care they deserve. From maternity to elderly care, and all stages in between, I strive to take the time to listen carefully to my patients' concerns."

Dr. Decker is on call at the Rice County District Hospital and works daily at the Sterling Medical Center. He is licensed as a Doctor of Osteopathy. Dr. Decker received his BA from the University of Kansas. He went to medical school and received his DO from the University of Health Sciences, Kansas City, Missouri, and completed his residency at Eisenhower Army Medical Center, Augusta, Georgia. His professional affiliations include the American Academy of Family Practitioners.

Kristina Darnauer, MD

"I am passionate about caring for my patients and it is even more fulfilling in a small community like Sterling and Lyons where I am able to have a personal connection with my patients. I am invested in their lives as well as their health. It is an honor to serve in this wonderful community!"

Dr. Darnauer is on call at the Rice County District Hospital and works daily at the Sterling Medical Center. She is licensed as a Medical Doctor. Dr. Darnauer received her BA from Oral Roberts University. She went to medical school and received her MD from the University of Kansas School of Medicine. Dr. Darnauer completed her residency with Research Family Medicine. Her professional affiliations include the American Academy of Family Practitioners.

"Knowing that our team has an impact on the health and well-being of our community, fills me with pride and a sense of personal satisfaction."

— Jerri Jerome,
SMC Office Manager

Stacy Dashiell, MD

"As a family physician, I strive to provide compassionate, evidence-based medical care for my patients during all stages of their lives. I usher in new life as I deliver a newborn baby; I tend to a teenager with a sports injury in the emergency room; I help guide an elderly patient through the final stages of life with dignity and peace. It is an honor and privilege to serve the Rice County community as a family physician."

Dr. Dashiell is on call at the Rice County District Hospital and works daily at the Sterling Medical Center. She is licensed as a Medical Doctor. Dr. Dashiell received her BA from Sterling College. She went to medical school and received her MD from The University of Kansas School of Medicine. Dr. Dashiell completed her residency with Research Family Medicine. Her professional affiliations include the American Academy of Family Practitioners.
