

## BEST LADIES CLOTHING STORE

### *The Chocolate Bunny Boutique*

The Chocolate Bunny Boutique was established by owners Jennifer and Todd Hampton in February 2002. The vision for the Chocolate Bunny remains the same today, as it was 15 years ago, to provide up-to-date fashions with personalized service.

Additionally, the owners, management and staff of the Chocolate Bunny will never lose sight of the fact that our success is due entirely to our loyal customers.

Just as we did in 2002, we strive to provide world-

class customer service to each person that walks in our door. Veteran manager Anne Graves, along with experienced and knowledgeable staff, are committed to matching the perfect fashion choices with each person who shops in our boutique.

The ladies at the Chocolate Bunny spend much time researching fashion trends and listening to customer's input before buying inventory for each season. We believe that the time invested is important

to our valued customers, as they do not have to travel to larger cities or shop online to find exactly what they're looking for. Instead, they can shop at home with people that they know and trust. We are very thankful to all of our customers and friends who have made the Chocolate Bunny the success it has grown to be in downtown Union City. Thank you, to all the readers of The Messenger who voted us "Best Ladies Clothing Store." We owe all our success to you.
