

# BEST APARTMENT COMPLEX

## Ware Park

**BEST APARTMENT COMPLEX** — Ware Park, built in 2016, is a 64-unit apartment community offering spacious one- two- and three-bedroom floor plans. Features include modern kitchens with dishwasher, in-unit washer and dryer, busi-

ness center, fitness center, clubhouse, playground and swimming pool. In addition, Ware Park also offers complimentary Wi-Fi to its residents. Ware Park is an affordable community with income restrictions.

# BEST ELECTRICIAN

## Craig McManus — CAM Electric

Established in 2004, CAM Electric opened its doors for business, but those doors were at the home of the owner, Craig McManus. Craig says that he credits Ron Cooper at Southern Machinery Repair for 18 wonderful years of experience, which led him to the decision to begin his own business.

**CRAIG MCMANUS**

While in conversation with his father, Wendell McManus of Halls, he suggested that the name of the business be CAM Electric because Craig's full name is Craig Alan McManus. Thus, CAM Electric was born.

After 10 years of working out of his home and renting other buildings, the opportunity arose for Craig to purchase the property at 603 East Reelfoot Ave., where CAM Electric is currently located. CAM Electric employs 10 dedicated service technicians and two

office workers, Denise Lee and Cornita Counts.

CAM Electric specializes in commercial and residential generator installation and repair. In 2013, CAM Electric was certified as an Authorized Generac Generator Service Provider and, in 2017, was awarded the MTU Energy Agricultural Generator Dealership.

Licensed in Tennessee and Kentucky, CAM Electric is also able to help you with outdoor lighting, LED message board installation and repair, and walk-in cooler

and freezer repair, as well as many other electrical needs.

Craig and his wife, Beth, who teaches Spanish at Union City High School, have five children and four grandchildren.

"As a family, we would like to thank this community for believing in the quality of our service for the last 13 years. We are proud of the determination and dedication that our technicians provide on a daily basis and look forward to serving this awesome community for many more years."

Union City's *Newest* Place to Live!
