"We sell several lines of insurance, including life, auto, home, health, and are now selling commercial insurance. Along with the agents, we have seven customer service representatives with total combined insurance experience of 136 years."

Obion County Farm Bureau is a service company of the Tennessee Farm Bureau

Originally, the insurance was offered to farmers and ranchers only, but in the early 1960s, we began offering insurance to everyone. Obion County Farm Bureau currently serves approximately 6,000 households in Obion County.

Our office hours are Monday through Friday from 8 a.m. to 4:30 p.m.

We would like to serve all of your insurance needs and invite you to contact us at 885-9303 for quotes.

Again, thank you for the confidence you have shown in us.
