BEST BUILDING SUPPLIES — At Home Builders Mart, we value your business and appreciate your support over the more than 75 years of supplying you with your building material needs. Many things have changed with us and within our community over the years, but two constants during this time have been the support of our customers and our dedication to customer service. We continue to strive to live up to our slogan, “Customer Service is Our Specialty.” One recent change we are experiencing in Obion County has presented a unique challenge to us. For an extended period of time, the I-69 project will

have our primary access off of Highway 51/Reelfoot Avenue blocked. If you are familiar with our location, you can get to us by turning at the Wal-Mart light and following the signs to Walker-Tanner Road, or turning by Jenkin’s Motors and then a right in front of the Obion County Highway Department. If you’re not familiar with Union City, call us at 885-1544 or 885-3303 and we’ll direct you here or deliver your order at no charge. We appreciate your votes and are asking for your continued support in the future.
