

# BEST AUTO DEALER

## *Jerry Ward Autoplex*

**CUSTOMERS ARE THE PRIORITY** — Jerry Ward Autoplex was established in August 2015 at the previous Chevy dealer location. “We have adapted our mega used-car inventory with full-service and parts department to serve our customers,” a spokesman said. “All the personnel previously had multiple dealership experience, and we are a

professional Delco Service Center, along with a Motorcraft Professional Service Center.” Jerry Ward Autoplex services all domestic and foreign models and has the equipment to diagnose and program most vehicles. “Check our tire prices.”

**Thank you  
to all our  
customers  
for making  
these 2 years  
possible!**
