RE/MAX UNITED, LLC

RE/MAX United, LLC began their business in November 2008 in Martin. Since, they've expanded their business, increasing the number of agents, and this year, opened an office in Union City.

"I received a lot of comments, requesting I open a Union City office," said owner Shelia Bell.

"Buyers and sellers wanted another choice in Union City, so I decided I would give them what they wanted. So, now, we are here to serve the people of Obion County with all their real estate needs."

RE/MAX United, LLC's Union City office is staffed with affiliate brokers Morgan Cain, Gary Dane, Adrienne Devasier, Allen Smith and principal broker Beverly Rhodes.

"A lot has happened in real estate in the past few years and it is an increasing challenge; however, the agents are up to that challenge. We go above and beyond. That's the sign of a RE/MAX agent. Buying or selling, you'll have a trusted professional guiding you every step of the way," stated Ms. Bell.
