

BEST BAR/LOUNGE — *Hops and Barley*

BEST BAR/LOUNGE — Hops and Barley is a small hometown, locally-owned business located in Union City. We offer a family-friendly environment and strive to create the best food, for the best price, with the best service. Hops and Barley opened in March of 2014. The business is co-owned by Rick and Renee Dillon and Megan Hines. We have been blessed and gained so much success through hard work, our amazing staff and the loyalty of our customers. We try to keep up-to-date and keep things fresh for our customers with periodic new menu releases, and every changing menu items and innovative food options. We strive to have a good and welcoming environment for every

demographic and like to think of everyone who walks in our door as family. Over the years, we have tried to give back to the community that has given so much to us. Each year, we raise money for Habitat for Humanity, Chimes for Charity, Walk of Hope, the UC/OC Backpack Program and other local causes. We try to use our success and blessings to help others around us. With our rise in business and sales, we are now fortunate enough to employ 16 people, who have gone above and beyond for us every step of the way. "Keep it Local" has always and will always be our motto. Without the community's support and hardworking employees, we would not be where we are today.
