

## BEST HAIR STYLIST — *Shelly Webb*

Shelly Webb, hairstylist, makeup artist, color specialist, returned to hairdressing in 2004 after being a stay-at-home mom for four years. She has been married to Randall Webb for 20 years and they have two children, Savannah, 19, who is a junior at the University of Tennessee at Knoxville, where she is studying to become a doctor; and Ashton, 17, who is a senior at Union City High School.

hard to work diligently at improving on my own brand."

In November 2016, I was blessed with an opportunity to go out on my own and open a salon, so I jumped at the chance to create an environment all my own. I wanted to name the salon something unique and indicative to what my passion is and what I love most about hairdressing. So, the name Color Addicts came from the fact that I, myself, am addicted to hair coloring, techniques of hair coloring and just being able to create something so customized for each one of my clients, including myself. I love a challenge and often look for ways to hone my craft.

Hair coloring is so much fun for me but I also love cutting because it can change how you see and feel about yourself. Shampooing is

the best part of the whole process because I love giving a good scrub and massage and that gives me the opportunity to help clients relax in a moment of peacefulness.

My clientele is very diverse and spans from a spunky little 1-year-old all the way up past, an even spunkier 78-year-old. And I look forward every day to the time I get to spend with each one. They're not only clients but friends, and I consider them family. My salon offers cuts, colors, waxing, perms, conditioning treatments and specialty, customized fashion colors.

Amber has been employed since January 2017, and she is certified to do eyelash extensions. She is working on building her clientele and is accepting new clients and is available for walk-ins.

**SHELLY WEBB** since high school, it is my favorite thing to do. I have worked with a number of different stylists over the years, and each one has influenced who I am as a stylist. We learn a lot from each other, and it has encouraged me to strive

## BEST BANK TELLER *Tracy Hill*

**BEST BANK TELLER** — Tracy Hill of Union City has been in banking for 15 years, nine of which she has spent with First State/Simmons Bank. Though she has been a teller in several different locations in the bank, you can find her smiling face at the main window in the drive thru; it's her favorite place to be. It's there, Tracy gets to catch up with her regular customers and even pass out treats for her canine customers. She loves her job, her community and her customers, and it shows in the way she performs her job every day.
