Best Car Salesman TODD PETTY

Thank you to all who voted for me to receive this great honor. I've been selling vehicles now for 19 years. After working at a large volume dealership and a small town dealership, I have learned one truth... customer service trumps all other aspects of the car buying process. And you just don't get that very often at large volume dealerships that only sell off the best price. I am glad to be home and so honored to be your "car guy!!" I always tell my customers this..."when you buy your vehicle from me, you not only get a great vehicle at a great price, but you also get ME!!" I also couldn't do it without the BEST team here at Jerry Ward Autoplex! Come See Us!!
