

## Mayor's Luncheon

The annual Mayor's Luncheon is a celebratory event to honor and thank all of the individuals who make the Soybean Festival possible by donating time and money. The invitation-only event will be held Sept. 6 from 11:30 a.m. to 1 p.m. in the Duncan Ballroom in the University Boling Building. Because it is a prestigious occasion, the invitations will be sent out three weeks in advance. This is a major event that is hosted by the city leaders in order to recognize sponsors of the Soybean Festival and the activities that proceed. At the event, among all recent years, the purpose is to display the endless appreciation of the individuals who contribute and commit to the Soybean Festival. Awards are also given in gratitude along with acknowledgements to

all the different sponsors. The awards are the Hall of Fame inductee, Big Bean Award, Grand Marshal of the festival and the Soybean Service Award. Also, during last year's event the Martin Pilot Club presented the King and Queen Soybean. During last year's luncheon, approximately 300 people were in attendance to express their support and commitment to the year's event. Without these people to contribute and volunteer their time and money, Martin would not have such an outstanding annual festival each year.

The City of Martin and the many sponsors look forward to yet another remarkable Soybean Festival.

Mayor's Luncheon is sponsored by First Community Bank of the Heartland.

## What Makes A Perfect Home? Natural Gas

1. It heats water quickly... no waiting for hot water
2. It's economical... about 1/2 the energy cost
3. It is a clean burning fuel... our nation's cleanest
