

Martin High School Reunion Class of 1967

Fifty years! No way... how did it happen? We haven't changed one iota! Time has flown by, and now the class of 1967 is planning to reunite for some fond reminiscing. Numerous classmates scattered following graduation, while others chose to remain in the Martin area. Many different paths have been traveled; triumphs and defeats have occurred - but we hold a common place in our hearts and in history of having shared those high school days. This was a special time in our lives.

We were blessed to grow up in this rural area and attend Martin High School. Our minds were enriched, our souls fed, our characters shaped, and our personalities forged. One thing the passing of years has provided is a melding of thoughts, and acceptance of varied backgrounds, and an appreciation of our individual differences. Yet, we are all very much alike! May we come together in a sense of thankfulness and togetherness to provide tribute to a previous era.

Teachers, faculty, office workers, bus drivers,

custodians, and cafeteria workers cared. Who of us has forgotten Mr. Charlie's pride when serving us those delicious homemade rolls when we attended elementary school, or Mr. Wilson's gentle smile as he cleaned the hallowed halls?

For this event a hospitality room will be set up at the Hampton Inn for visiting and relaxation on Saturday before and after scheduled events. Interested alumni or community persons are encouraged to stop by on Saturday at the Hampton Inn, and come to the East Side Cemetery at

10:30 a.m. for a short ceremony in memory of our classmates who have departed this earth.

The reunion events will start on Friday Sept. 8, 6 p.m. at Raphael & Mildred Walker's Red Barn on Old Fulton Road (group picture at 6:30 and meal at 6:45). On Saturday, Sept. 9, at 10:30 a.m. a memorial service will be held at East Side Cemetery, and at 6:30 p.m. there will be an appetizer dinner at The Opera House downtown.

Don't forget to schedule time for the Soybean Festival events!
