

King and Queen Bean

The Pilot Club of Martin is sponsoring the 4th Annual King and Queen of the Bean contest. 2017 contestants for King Bean are Keith Carver, Tommy Legins and David Murphy. Contestants for Queen Bean Contest are Michelle Arant, Angie Kelly and Tara Rhodes. The winners will be crowned at the TN Soybean Mayor's Kick-off Luncheon. Containers bearing a picture of each individual contestant will be placed at locations throughout Martin and will be interchanged in other various locations now through the beginning of September.

The contestant receiving the most votes through monetary donations will be crowned. Deposit your loose change and your dollar bills in the container for the person you support for this great honor. This Pilot Club of Martin Fundraiser will be used towards the club's philanthropy, Brain Awareness, specifically to purchase bicycle helmets for the young participants in the Bicycle Rodeo sponsored by Martin Pilot Club and The Optimist club. Please donate generously and support this amazing project of protecting brains of children while riding bicycles.

At left, Queen Bean, Suzanne Harper and King Bean, John Hatler were crowned during 2016's Mayor's Luncheon. Money raised during the contest goes toward purchasing bicycle helmets for participants in the Bicycle Rodeo sponsored by Martin Pilot Club and The Optimist's Club.
