

PLAID FRIDAY

November 24

On Plaid Friday,
(the day after Thanksgiving,)
Shop LOCAL
and simplify your
Day-After-Thanksgiving experience!

The name "Plaid Friday" celebrates the idea of LOCAL --
aiming to promote the importance of
supporting our community
by shopping at small businesses.

The plaid pattern represents weaving the individual threads
of small businesses together
to create a strong fabric that celebrates
the diversity and creativity of
independent businesses.

Plaid Friday is the relaxing and enjoyable alternative
to the big box store "Black Friday,"
and is designed to promote both
local and independently owned businesses
especially during the holiday season.

MST Breathable Insulated Wader

While incredibly lightweight compared to neoprene this wader still provides the warmth needed while battling those more frigid temperatures. All of our Instinctive Features are outfitted throughout the MST Breathable Insulated Wader to meet the demands of any waterfowl hunting situation. The 300-gram poly insulated quilted liner will keep you warm on those cold while the lightweight 3-layer breathable fabric will help manage heat as the day progresses. It also reduces bulk for the hunter that prefers to wear their jacket over the top of their waders.
