

## Best Shoe Store: The Shoe Shack

The Shoe Shack staff members would like to thank the Weakley County readers for choosing them Best Shoe Store in Weakley County.

Shoe Shack has seen tremendous growth in retail and online since Bennie Castleman first opened the doors in 1981 as a retail/mail-order shoe and boot store.

Castleman, along with his son, Bryan and many great employees, operate two retail stores carrying the best name brands in boots and shoes at great prices. Shoe Shack has all your boot and shoe needs covered and is always adding new brands at both locations.

Shoe Shack currently has retail stores at 1001 Main St. in Martin and in the County Marketplace in Union City. Shoe Shack's Union City store carries a huge selection of work boots, in-

cluding Safety-toe and the complete line of Carhartt clothing. It also has a huge safety-toe footwear wall.

Shoe Shack has added boutiques at both locations with the latest fashion trends. Shoe Shack also handles many corporate accounts and vouchers, so if your company needs safety-

toe boots or work boots, visit the Shoe Shack. With their "best price guarantee" on every item in the store and online, you're guaranteed to leave a satisfied customer.

## Best Eye Doctor: Dr. Daniel Donaldson II

The title of Weakley County's Best Eye Doctor goes to Dr. Daniel Donaldson II of Eye Care Center of Martin located on Kennedy Drive. The award will stay in house at the Eye Care Center this year, with Dr. Russell Gilliam being chosen in last year's Reader's Choice awards.

"I truly feel what makes our office great is our staff. We genuinely love working together. They make Dr. Gilliam and I look good. I am so blessed to work with a group of people who take on our philosophy of putting the patient first. Hopefully, that philosophy transcends to the patient experience. Our desire is that no matter what is going on with the patient, they leave our office feeling better than when they came," Dr. Donaldson said.

He lauded the area's other optometrists in the field, saying they have been a source of inspiration and encourage-

ment to him.

"Dr. Gilliam has been more than a business partner, but he has also been a great friend and mentor. Dr. Donnie Davis, from whom we purchased the practice, was my personal optometrist and someone who I admired from afar when I was growing up in Martin. Professionally, I owe both of these optometric giants a great deal of gratitude for the positive impact they have both had on my life."

The Eye Care Center of Martin offers vision and eye health exams, contact lenses

and glasses. Visit the staff of Angie Byrd, Chris Stroh, Amanda Lyle, Christina Jones, Danielle Brent, Aleya Brent, Marsha Farley, Michelle Bills, Michelle Phipps, and of course, Drs. Donaldson and Gilliam.

"I would to thank everyone who voted for me. While I don't feel worthy of such a great honor, I appreciate that the efforts at being the best optometrist for my patients are being recognized. Weakley County and the surrounding area have been good to me and my family. I am certain that there was a time that my parents and grandparents never dreamed an honor like this would or could come for their child and grandchild. Through your love and acceptance, thank you for making their dream a reality!"
