

# Best Apartment Complex: Donaldson Brothers Rentals

For the 10th year in a row, Donaldson Brothers Rentals has been selected as the Weakley County Press' Readers' Choice for the Best Apartment Complex.

Since 1981 Donaldson Brothers has been proud to offer houses, townhouses, apartments and duplexes in the Weakley County area and strives to find the perfect fit for each resident to call home. Today, the brothers still focus on quality housing and personalized service.

The company has been gradually expanding to better serve the area with housing needs. Donaldson Brothers Rentals is the largest privately owned

housing rental business in Weakley County. The Donaldson brothers are still involved in the day-to-day operation of their company, and they en-

joy getting to know their residents. "When you rent from us you're not just another resident, you're part of our rental family." In the spring of 2015,

Donaldson Brothers Rentals created DBR Beachfront and expanded to provide vacation rentals in Panama City Beach, Fla. They are excited to offer newly remodeled one- and two-bedroom condos at the Long Beach Resort

in the heart of PCB. Both condos have wall-to-wall, floor-to-ceiling windows and large balconies that overlook the Gulf of Mexico and the resort's private sugar-white beach.
