

Best Industry: MTD

Voters in the 11th annual Readers' Choice Awards have selected MTD as the best industry in Weakley County. As one of the county's largest employers, the company not only helps take care of its employees, but also serves as a good steward in the community.

For more than 80 years, MTD has been a leader in designing and building durable, easy-to-use outdoor power equipment.

Its family of brands offers award-winning products designed to meet lawn and garden needs for both residential and commercial markets.

MTD's Martin Facility

opened in 1985 and has been blessed with amazing growth, which equates to currently bringing jobs to over 1,100 associates during its peak season.

MTD Martin and its associates have a long history of generously helping the community in times of need while supporting the community through various contributions to many local charities.

MTD Martin also supports its local school system and university, Tennessee Scholars and Weakley County Education Edge, United Way, Carl Perkins Center for Child Abuse, Santa's Village and American Cancer Society.

MTD Martin also supports local community activities such as the Soybean Festival, Iris Festival, Tater Town Festival and Fire Prevention Week as well as local educational programs.

MTD supports local youth league events throughout Weakley County, Carl Perkins Center for Child Abuse and Santa's Village.

MTD officials said MTD is so proud to be a part of Martin and Weakley County and to be providing a safe and great place to work, with an outstanding group of associates to serve Martin and Weakley County.

MTD has been named the best industry. Pictured are (from left) Keith Cursey HR Manager, Steve Baker General Manager and Stanton Knight, Vice President of Operations

Proud to be a part of our Weakley County Community
