

# Best Furniture Store: BB's Furniture & Mattress Gallery

A man's home is his castle, they say, and at BB's shoppers can get everything for it but the moat.

BB's Furniture and Mattress Gallery has been selected by Weakley County Press readers as the Best Furniture Store in its Readers' Choice Awards, claiming this title once again.

Owned by Phil and Tracey Bivens, the store and its staff are known for helping customers find just what they need.

Phil Bivens worked at Goodyear in Union City for 15 years, but he always wanted to own his own business and set his own schedule.

After years of buying and selling closeout furniture, Phil finally saw his dream come true. A small idea turned into one of the largest family-owned showrooms in

the area.

Tracy Bivens learned the ropes of business as a child. Her family owned Twin City Auto Parts in South Fulton, where she learned the values, integrity and customer service necessary to a successful business. Customers will find Tracey arranging showroom pieces and pulling them together to give an idea of what pieces compliment each other in your home.

At BB's Furniture and Mattress, customers get the "big city" shopping experience in a 36,000-square-foot showroom, coupled with the personal touch and attention of a small-town, family-owned business.

Among the lines they carry are Ashley, Catnapper, Southern Motion, Jackson, England, Liberty, Tempur-Pedic®, Stearns & Foster and Sealy. From dining sets

to mattresses to children's bedroom suites, the store offers something for a wide range of decorating styles. The store offers delivery, or customers can pick up their pieces. Twelve month same-as-cash financing is also available.

The Bivens thank Weakley Countians for their continued support.

Business hours for BB's Furniture & Mattress Gallery are 9 a.m. to 6 p.m. on Mondays, Tuesdays, Thursdays, Fridays and Saturdays, and 9 a.m. to 5 p.m. on Wednesdays.
