

Best BBQ: Hwy 45 BBQ

While Hwy 45 BBQ in Martin has only been open since mid-September, readers of The Press made it clear they are fans of the restaurant's barbecue. Owner Josh Hazelwood said he loves to cook and his employees were ready to work as a team to offer a menu full of flavorful foods, many of which are derived from tender pork smoked in an open pit over wood from cherry trees for several hours.

Hwy 45 BBQ already has customers raving about their food and have chosen the new business as the Best Barbecue in Weakley County according to the voters in the 11th annual

Reader's Choice awards.

The menu features specialty items such as barbecue nachos, turkey, barbecue bologna, and a variety of sides. The restaurant offers two drive-thru windows and an outdoor picnic area for dining (out) when the warm weather hits Northwest Tennessee.

Hwy 45 BBQ is open Monday through Saturday from 10:30 a.m. until 8 p.m.

The services don't just stop with the menu. The staff will cater your holiday events and there is a 10

percent discount for pre-orders of smoked turkeys and hams for any special occasion.

The location is right off of the highway near the Martin Rec Complex and Westview High and Martin Middle schools.
