

## Best Chiropractor: Elliot Chiropractic

Down in your back? Got a headache? Plagued by sinus problems?

Chiropractic may be just what you need.

Weakley County Press readers have once again chosen Elliott Chiropractic for this year's Best Chiropractor category in the 11th annual Reader's Choice Awards. D.L. Elliott opened Elliott Chiropractic in 1978 and his walk-in policy leaves his office full of clients. Some go in for an alignment and walk out two inches taller. His attention given to his patients has earned him another year as the "Best Chiropractor" in the county.

Elliott said "interacting with patients, seeing them get better" is his favorite part of the job, as well as teaching patients about their

body's nervous system and how pain is usually a sign of misalignment.

If you haven't tried chiropractic, and you're feeling out of sorts, let Elliott Chiropractic tune you up for the holiday season and upcoming new year.

## Best Donuts: U.S. Donuts

U.S. Donuts has been named Weakley County's best spot for donuts once again by Weakley County Press readers. The shop is owned by Bun Ouk and managed by Channery Porl. They have been in business since 2010.

Fresh donuts made daily and specialty breakfast items are their secret to success. Here you can find

a variety of delicious pastries, croissants, kolaches, breakfast burritos and biscuits. U.S. Donuts is conveniently located at 315 University St., right across from UTM's campus, giving students quick and easy access to "breakfast on the go."

Their hours are 5 a.m.-2 p.m. daily. Call 731-587-6999 for more information.
