

Best Burgers & Fries: KN Rootbeer

There is nothing quite like the taste of a KN root beer overflowing from a frozen mug on a hot summer day. To make the meal complete, add a No. 1 hamburger and crispy, golden fries delivered right to your vehicle and you have the full experience of dining at one of Weakley County's "best."

KN Root Beer Drive-In has been a family-owned and operated business in Martin since 1962 and owners Roy and Barbara Wright can still be found manning the grills during the busy lunch-hour rush. Now, the business has three generations of Wrights serving customers at this old-fashioned burger restaurant.

With such great food and friendly service, readers of the Press have named KN Root Beer Drive-In their favorite for burgers and fries, having chosen the local business on Lindell Street as the

Best Burgers and Best Fries in Weakley County in the 11th annual Reader's Choice awards.

Hungry diners can choose from a No. 1, No. 2, or No. 3 burger on the menu. Many might not recognize No. 3 until they hear the words "slaw burger," which usually sparks a "what's a slaw burger" or "yummy!"

With so many fan favorites on the menu such as Texas chili pie, pizza burger,

and root beer floats, it's easy to see what makes for happy tastebuds when people choose KN Root Beer Drive-In for their lunchtime meal.

Stop by and visit the staff of Roy, Barbara, their daughters – Sandy and Susan, and their granddaughters – Allison and Erica, and enjoy a tasty burger with crispy fries and a frosty mug and congratulate the family on taking top honors for their flavorful food.
