and everyone who voted for us. Our commitment is to our guests and our community, it's an honor to be voted Best Salon this year."

## Best Pet Groomer: Country Pet Resort & Spa

Pawsitively shocked, honored, and truly blessed was the response we heard when we notified Country Pet Resort and Spa owner Shelby Hurley of their 11-year win of Weakley County's Best of the Best Award. Shelby and her staff first wanted to thank everyone who voted showing support for their staff and business.

"If not for the dedication of our client base and the love and respect they show for their pets, this business would not have been possible."

"I give thanks and praise to our pet stylists Rose Weaver, Katherine Roberts and Trish Chambers for making this award possible. One of our positives here is pets and pet parents are treated like family because we feel they are family."

Shelby and her staff want you to come by for a visit and check out this lovely fa-
