

Best Plumber: Greg Powers

Since 1989, Greg Powers has been providing plumbing services to homes and businesses in West Tennessee. With nearly three decades of plumbing, carpentry, and general maintenance service, Powers has earned the title of Best Plumber in The Press' annual Reader's Choice awards.

Powers Maintenance and Plumbing is available for service calls 24 hours a day, seven days a week. He knows emergencies don't just happen between the hours of 8-5 Monday through Friday. His service motto is "no job is too small."

From unclogging a drain, to trenching and plumbing new construction and remodeling a bathroom from start to finish, Powers can handle any size job.

"I thank and appreciate the people for having

the faith and confidence in me and the job I do to vote for me and trust my skills," Powers said when he learned he was chosen as Best Plumber in Weakley County.

"Repeat business and word of mouth, like this contest, are the best testament of my abilities," he added.
