

# Best Auto Body Repair: Jones Auto Body

Donnie and Elwanda Jones said they feel truly blessed to have been chosen as the Best Auto Body Repair Shop in the Weakley County Press' 2016 Readers' Choice Awards. They appreciate all the customers in Weakley and surrounding counties.

Jones Auto Body Shop is located at 115B Hyndsver Road in Martin and is owned and operated by the Joneses, along with their staff: Christie Jones Leiva, Marlon Leiva, Brian Exum and Kenneth Kanady.

The repair shop has been open since 1980 and offers a full-range of auto repair services, including frame work, collision repair and a bake-on paint system.

"I wanted to have my own business to serve the people of Weakley County

and the surrounding areas," Jones said. "I've worked on cars and repaired them since I was 16 years old."

His business began 36 years ago as the Highway 45 Body Shop at his home.

In 1986, Jones' business had grown so much he moved into the former D&M Garage on Hyndsver Road in Martin.

There, he experienced continued success and ex-

panded the buildings to accommodate all the work he was doing for customers.

Jones is proud of the fact that his business is family-owned and family-operated.

Along with him and his wife, his two sons-in-law and his daughter work at the body shop.

The telephone number for Jones Auto Body Shop is 587-4107.
