

ATHLETE OF THE WEEK

Youth hunts start Saturday

Jaxen Sherrell looks to make a block during the Super Bowl against Fentress County last week. He earlier threw a touchdown pass for the Junior Tigers' only score of the game. Sherrell is athlete of the week. All winners are invited to come by the *Review* and pick up their free, limited-edition t-shirt.

The first of two Tennessee young sportsman deer hunts for the 2018-19 season will be held the weekend of Oct. 27-28.

Youth ages 6-16 years of age may participate. Participating youth can use gun, muzzleloader, and archery equipment.

Young sportsmen must be accompanied by a non-hunting adult, 21 or older who must remain in position to take immediate control of the hunting device. The adult must also comply with the fluorescent orange regulations as specified for legal hunters. Multiple youth may be accompanied by a single qualifying adult.

Archery season began in the state on Sept. 22 and the first segment ends Oct. 26, the day prior to the opening of the young sportsman hunt. The second segment of archery only season is Monday, Oct. 29 through Friday, Nov. 2. Muzzleloader/archery season starts Nov. 3.

The TWRA makes the recommendation that all hunters obtain a 2018-19 Tennessee Hunting and Trapping Guide. The guide lists license requirements, the counties and bag limits for each of the different deer management units. The guide is available on the TWRA website. www.tnwildlife.org and where hunting and fishing licenses are sold.

In 2017, youth hunters harvested a total of 6,418 deer during the first weekend. It was an increase of 564 from the 2016 total.

Youth deer season begins this weekend for youth ages 6-16.
