Snow bank

Duane Sherrill photo

The hedges in front of Liberty State Bank looked painted Thursday morning as a dusting of snow fell overnight. The only impact the dusting had was to force schools to open two hours late out of an abundance of caution. Schools are out of bad weather dates, meaning any future days off will have to be made up at the end of the school year.

DeKalb Funeral Chapel
At DeKalb Funeral Chapel we take great pride in helping you create a monument or memorial marker to honor your loved one. It is our goal to exceed your thoughts and what you have pictured in your mind for a lasting memorial. With years of experience in helping families design a monument that will tell generations to come about the life of loved ones, we can put that experience to work for you.
Now is a great time to order a monument to make sure they are set before Mother's Day, Father's Day and many cemetery decorations. From a simple flat marker, single upright, double monument, bronze memorial we can help create a memorial at a price you can afford. We have different colors of granite from traditional gray to Dakota Mahogany, pink, black among others. We also offer vases in granite, marble and bronze in a variety of sizes. We invite you to give u s a call or stop by and allow us an opportunity to help you and your family. You can also visit our website to see an example of some of the monuments we have previously created.
This is one of the many services we offer at DeKalb Funeral Chapel.
